ARTICLE II

AMOUNT AND TERMS OF THE LETTER OF CREDIT

SECTION 2.01. The Letter of Credit. The Bank agrees on the terms and subject to the conditions hereinafter set forth, to issue the Letter of Credit (substantially in the form of Exhibit A hereto) to the Trustee in the aggregate amount of the Commitment and expiring on the Expiration Date unless sooner terminated pursuant to the terms thereof. The Letter of Credit will secure the Bonds only when the Bonds bear interest at a Weekly Rate.

SECTION 2.02. Issuing the Letter of Credit. The Letter of Credit shall be issued by the Bank on October __, 2010, subject to the satisfaction or waiver of the conditions precedent set forth in Section 3.01 hereof (the "Issuance Date"). Payments made under the Letter of Credit by the Bank will be made from its own funds.

SECTION 2.03. Fee Letter Agreement. The City agrees to pay fees to the Bank in accordance with the terms of the Fee Letter Agreement. The fees and expense provisions set forth in the Fee Letter Agreement are incorporated herein by reference thereto as if fully set forth herein.

SECTION 2.04. Reimbursement On Demand. Subject to the provisions of Sections 2.05 and 2.06 hereof, the City shall pay to the Bank, in immediately available funds on each date on which the Bank shall honor a Payment Drawing under the Letter of Credit (the "Draw Date"), a sum equal to the amount so paid, plus interest on the unreimbursed amount from the Draw Date until reimbursement is received by the Bank, as applicable, in full at the Default Rate; provided, however, that with respect to any Tender Drawing honored by the Bank under the Letter of Credit if the conditions precedent set forth in Section 3.03 have been satisfied on the related Draw Date, shall be governed by the provisions of Sections 2.05 and 2.06 hereof. No interest shall accrue and be payable with respect to any Payment Drawing (including a Tender Drawing which has converted to a Tender Advance pursuant to the terms of Section 2.05 hereof) if the City reimburses the Bank, as applicable, for such Drawing by 3:00 p.m., New York City time, on the Draw Date for such Drawing.

SECTION 2.05. Tender Advances. (a) If the Bank makes any payment under the Letter of Credit pursuant to a Tender Drawing and the conditions precedent set forth in Section 3.03 have been satisfied on the related Draw Date, such payment shall constitute an advance made by the Bank to the City on the related Draw Date and in the amount of such payment, each such Advance being a "Tender Advance" and collectively the "Tender Advances." If the Bank makes any payment under the Letter of Credit pursuant to a Tender Drawing and the conditions precedent set forth in Section 3.03 are not satisfied on the related Draw Date, such payment shall be due and payable on the related Draw Date.

(b) Except as described in the second sentence of Section 2.05(a) hereof, the unpaid principal amount of any Tender Advance and all accrued and unpaid interest thereon shall be repaid in accordance with the terms of Sections 2.06 and 2.08 hereof.

(c) Upon the Bank honoring a Tender Drawing under the Letter of Credit, the Bonds so purchased shall be registered in the name of the Bank (or such other designee as directed by the Bank) as Bank Bonds and held by the Tender Agent pursuant to the terms of the Custody Agreement. The Bank shall be entitled to all rights and remedies of an Owner so long as any Bank Bonds remain outstanding.

SECTION 2.06. Interest on Tender Advances; Interest Rate Recapture. (a) Subject to the last sentence of Section 2.04 hereof, the City shall pay interest on the unpaid principal amount of each Tender Advance from the date of such Tender Advance until the principal amount of such Tender Advance has been paid in full or is converted to a Term Loan, payable monthly in arrears on the last Business Day of each calendar month based on actual days elapsed divided by 360 with respect to the month then ended, at a fluctuating rate of interest per annum equal to the Draw Rate in effect from time to time; provided, however, that in the event such interest is not paid on any outstanding Tender Advance when due and payable pursuant to this Section 2.06 or Section 2.08 hereof, the City shall pay interest on the principal amount of such Tender Advance and the amount of the unpaid interest, if any, on demand, at the Default Rate in effect from time to time, beginning from the date the unpaid interest first started to accrue.

(b) Notwithstanding anything herein or in the Indenture to the contrary, to the extent permitted by law, if at any time any rate of interest payable to the Bank hereunder exceeds the Maximum Bank Interest Rate and, as a result, the Bank shall not receive payment at the interest rate as calculated hereunder without regard to the Maximum Bank Interest Rate, then the interest rate applicable to amounts owed to the Bank hereunder shall remain at the Maximum Bank Interest Rate, despite any subsequent reduction in the interest rate applicable to amounts payable to the Bank hereunder, until the Bank shall have been paid that amount of interest that it would have been paid had there been no such interest rate limitation (the "Excess Interest"). The amount of Excess Interest accrued and unpaid with respect to any Bank Bonds at the time such Bank Bonds are remarketed or cease to be Outstanding shall be payable to the Bank as a fee on the date of remarketing or the date on which such Bank Bond ceases to be Outstanding. Subject to Section 2.08(d) hereof, in the event that the amount of Excess Interest due and owing the Bank hereunder has not been paid in full on the date of termination of this Agreement and the Letter of Credit, such unpaid Excess Interest shall be payable to the Bank as a fee on the date of termination; *provided* that the unpaid Excess Interest shall be payable as and to the extent that the then fair rental value with respect to the Project for the term of the Project Lease exceeds the sum of all other reimbursement obligations remaining unpaid hereunder and the amount of interest accruing on the Bonds during such term of the Project Lease.

SECTION 2.07. Reserved.

SECTION 2.08. Prepayments; Reinstatement of Letter of Credit Amounts; Term Loan.

(a) The City may on any Business Day, upon at least two Business Days' notice to the Bank, prepay to the Bank the outstanding amount of any Tender Advance, in whole or in part, together with interest accrued thereon at the Draw Rate. Such payments to the Bank, when accompanied by a certificate completed and signed by the Trustee (with a copy to the City) in substantially the form of Annex D to the Letter of Credit, shall be applied by the Bank as reimbursement for the related Tender Drawings (and as prepayment of Tender Advances resulting from such Tender Drawings in the manner described above). Upon receipt of reimbursement for the related Tender Drawing and a certificate in substantially the form of Annex D to the Letter of Credit, the Letter of Credit will reinstate in accordance with its terms.

(b) Prior to or simultaneously with the remarketing of Bank Bonds held by the Tender Agent (or such other designee of the Bank) for the benefit of the Bank and purchased with the proceeds of one or more Tender Drawings, the City shall cause the Trustee on behalf of the City to repay such Tender Advances (in the order in which they were made) to the Bank in an amount equal to the sum of (i) the aggregate principal amount of Bank Bonds being resold or to be resold plus (ii) the aggregate amount of accrued and unpaid interest on such principal amount which was paid with the proceeds of such Tender Drawing and (iii) the accrued and unpaid interest on the unreimbursed Tender Drawing at the Draw Rate. Such payments when accompanied by a certificate completed and signed by the Trustee in substantially the form of Annex D to the Letter of Credit shall be applied by the Bank in reimbursement of such Drawings (and as prepayment of Tender Advances resulting from such Drawings in the manner described above). Upon receipt of reimbursement for the related Tender Drawing and a certificate in substantially the form of Annex D to the Letter of Credit, the Letter of Credit will reinstate in accordance with its terms.

(c) Unless otherwise converted to a Term Loan as provided in this Section 2.08 hereof, a Tender Advance shall be due to the Bank upon the earliest of (i) a successful remarketing of the Bonds, (ii) 180 days after the date of such Tender Advance, and (iii) the Expiration Date. At the option of the City, any Tender Advance may be converted to a loan (a "Term Loan") within 180 days of such Tender Advance upon fifteen (15) days notice to the Bank. Such Term Loan shall be due and payable in full not later than the third anniversary of the date of the related Tender Drawing. On the 181st day after a Tender Advance, such Tender Advance shall automatically convert to a Term Loan payable at the Term Loan Rate without notice or further action by the City for the account of the Bank. In addition, provided that no Event of Default has occurred or is continuing under this Agreement, Tender Advances that remain outstanding on the Expiration Date shall automatically convert to a Term Loan. The principal portion of any Term Loan under this Agreement shall be payable in equal, quarterly installments on each Quarterly Payment Date, commencing on the Quarterly Payment Date following such conversion. Interest on a Term Loan shall accrue at the Term Loan Rate, payable monthly in arrears on the last Business Day of each calendar month based on actual days elapsed divided by 360. The City may prepay the outstanding amount of any Term Loan at any time upon two (2) Business Days' notice to the Bank. Any Term Loan that remains due and owing to the Bank after three years from the Expiration Date shall accrue interest at a rate of 25% per annum (and not at the Term Loan Rate). Subject to the provisions of subsection (d) below, the

Executive Director of the Authority and the City Manager shall use their best efforts to bring forward, at the earliest possible date, a plan of finance for consideration of the Authority Board and the City Council, respectively, for the redemption by the Authority of any Bank Bonds that remain Outstanding bearing interest at the rate of 25%.

(d) The Bank, the City and the Authority acknowledge that, if during a Term Loan, Bank Bonds are due and payable or if such Bonds are accelerated pursuant to Section 7.02 of the Indenture, or subject to mandatory redemption pursuant to Section 4.01(d) of the Indenture, then, pursuant to the terms of the Project Lease, the City will increase the Lease Payments under the Project Lease, if and to the extent that the fair market rental value of the Project is greater than the Lease Payments which would otherwise be due thereunder. If on the Expiration Date, the Bank, or its custodial agent, hold any Bank Bonds or any Term Loan or other unreimbursed drawing remains outstanding, the City and the Authority agree to cause the Lease Payments to be increased so that the annual aggregate Lease Payments equal the maximum fair market rental value of the Project. The City and the Authority shall, solely at the Bank's request, redetermine or cause to be redetermined the fair market rental value for the Project as of the Expiration Date or any such later date on which the Bank, or its custodial agent, holds any Bank Bonds or any Term Loan or other unreimbursed drawing remains outstanding. Such redetermination shall be by any method which the Bank may reasonably request, including an appraisal conducted by a certified MAI appraiser and shall be at the expense of the City. To the extent of any increase in the annual aggregate Lease payments in accordance with this Section 2.08(d), the Authority agrees to apply such amounts pursuant to Section 7.03 of the Indenture if the Bonds have been accelerated pursuant to Section 7.02 thereof, and otherwise to apply such amounts to the redemption of Bonds *pro rata* pursuant to Section 4.01(a) of the Indenture. In addition, the City and the Authority agree to extend the term of the Project Lease in accordance with Section 2.02 thereof if, on the stated expiration date thereof, any amounts remain due and owing to the Bank hereunder or under any of the other Related Documents.

SECTION 2.09. Increased Costs.

(a) If any change in any law or regulation or in the interpretation thereof by any court or administrative or governmental authority charged with the administration thereof shall either (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against letters of credit issued by, or assets held by, or deposits in or for the account of, the Bank or (ii) impose on the Bank any other condition regarding this Agreement, the Letter of Credit, or the Tender Advances or any other unreimbursed drawing hereunder, and the result of any event referred to in clause (i) or (ii) above shall be to (A) increase the cost to the Bank of issuing or maintaining its Letter of Credit or making or maintaining any Tender Advance or any other unreimbursed drawing hereunder or holding any Bank Bonds or (B) reduce the amount receivable or to be received with respect to its Letter of Credit or any Tender Advance or any other unreimbursed drawing hereunder (which increase in cost or reduction in amount shall be determined by the Bank's reasonable allocation of the aggregate of such cost increases or such reduced amounts resulting from such event), then, within 60 days after a written demand by the Bank, the City shall pay to the Bank, from time to time as specified by the Bank, additional amounts which shall be sufficient to compensate the Bank for such increased cost or such reduced amount. A certificate setting forth such increased cost incurred by the Bank as a result

of any event mentioned in clause (i) or (ii) above and giving a reasonable explanation thereof, submitted by the Bank to the City, shall constitute such demand and shall, in the absence of manifest error, be conclusive and binding for all purposes as to the amount thereof.

(b) If the Bank shall have determined that the adoption after the date hereof of any law, rule or regulation regarding capital adequacy, or any change therein or in the interpretation or application thereof or compliance with any request or directive regarding capital adequacy (whether or not having the force of law) from any central bank or governmental authority, does or shall have the effect of reducing the rate of return on the Bank's capital as a consequence of the issuance of the Letter of Credit or any obligation hereunder to a level below that which the Bank could have achieved but for such adoption, change or compliance (taking into consideration the Bank's policies with respect to capital adequacy) by any amount deemed by the Bank to be material, then from time to time, within 60 days after demand by the Bank, the City shall pay to the Bank such additional amount or amounts as will compensate any Bank for such reduction. With such demand, the Bank shall provide the City with a statement in reasonable detail setting forth the calculation of the amount of such compensation. Such statement shall constitute demand for payment of the amount or amounts set forth therein and shall, in the absence of manifest error, be conclusive and binding for all purposes as to the amount or amounts thereof.

SECTION 2.10. Requests for Extension of Expiration Date. Upon the written request of the City by facsimile (with an original to follow by overnight courier) or by original sent by overnight courier in the form of Exhibit C hereto, made no earlier than the one year anniversary of the Issuance Date [and no later than 120 days prior to the Letter of Credit Expiration Date], the Bank shall, within 60 days of such request, notify the City, the Trustee and the Tender Agent in writing whether or not the Bank will extend the Expiration Date for an additional period of one or more years, and if so, will deliver to the City a Notice of Extension in the form of Exhibit D hereto and a Notice of Extension of Letter of Credit Expiration Date in the form of Annex F to the Letter of Credit. If the Bank fails to notify the City of the Bank's decision within such 60-day period, the Bank shall be deemed to have rejected such request. The City and the Bank agree, and the City understands, that the granting of each such request is completely at the discretion of the Bank, and that the granting of any one or more of such requests does not obligate the Bank to grant any subsequent such request. If the Bank determines to grant any such request, the Expiration Date shall be extended for the period agreed upon by the Bank and the City. The covenants and obligations of the City contained in this Agreement shall continue in full force and effect upon any extension, renewal or substitution of the Letter of Credit as provided herein, except insofar as the Bank may request or agree to any modification thereof.

SECTION 2.11. Payments and Computations. The City shall make each payment hereunder not later than 3:00 p.m., New York City time, on the day when due without deduction or offset in lawful money of the United States of America to the Bank at its address referred to in Section 11.03 hereof in same-day funds or in accordance with the wire instructions in Section 11.03 hereof. Amounts not paid by 3:00 p.m., New York City time, on the day when due will accrue interest at the Default Rate until paid. Computations of the Draw Rate, Default Rate, upfront fee, facility fee, early termination fee and all other commissions and fees established

herein (as applicable) shall be made on the basis of a year of 360 days for the actual number of days elapsed, except as otherwise provided herein.

SECTION 2.12. Non-Business Days. Whenever any payment to be made hereunder shall be stated to be due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or commission, as the case may be.

SECTION 2.13. Evidence of Advances. The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the obligation of the City resulting from each Drawing under its Letter of Credit and from each Tender Advance or Term Loan made from time to time hereunder and the amounts of principal and interest payable and paid from time to time hereunder. In any legal action or proceeding in respect of this Agreement, the entries made in such account or accounts shall be presumptive evidence of the existence and amounts of the obligations of the City therein recorded; provided, however, that any failure to make entries or any error in doing so shall not limit or otherwise affect the obligations of the City under this Agreement.

SECTION 2.14. Security for Draws; Authority Obligations Limited Obligations.

(a) The Bonds are limited obligations of the Authority and are payable, as to principal and interest, exclusively from the funds pledged therefor under the Indenture. All of the Bonds are equally secured by a pledge of, and charge and lien upon, all of the Revenues, and the Revenues constitute a trust fund for the security and payment of the interest on and the principal of the Bonds. The obligations of the City under this Agreement are payable in accordance with the provisions of this Agreement and the Project Lease solely as Lease Payments or Additional Payments and the amounts on deposit with the Trustee in the various Funds and Accounts (including the investments thereof) held by the Trustee under the Indenture, and the Lease Payments and the Additional Payments payable to the Bank and the amounts on deposit in the various Funds and Accounts (including the investments thereof) held by the Trustee under the Indenture are hereby granted, pledged and assigned as collateral by the Authority to secure such payment; such grant of a security interest is to be a valid and binding pledge and assignment. To the extent that the Bank honors a Payment Drawing (other than a Tender Drawing) under the Letter of Credit, the Bank shall be subrogated to the rights of the holders of the Bonds which received payments of principal or interest on such Bonds with the proceeds of such Payment Drawing. The Lease Payments and the Additional Payments payable to the Bank and the amounts on deposit in the various Funds and Accounts (including the investments thereof) held by the Trustee under the Indenture shall be immediately subject to the lien of the pledge made hereby without any further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the City or the Authority, irrespective of whether such parties have notice thereof.

(b) To secure the performance of the City hereunder and the payment of all amounts due or to become due to the Bank, the Authority shall grant to the Trustee and the Bank, pursuant to the terms of the Indenture, a lien on and security interest in all Funds and Accounts

and all separate trust accounts created under the Indenture and held by the Trustee, other than remarketing proceeds, as set forth in the Indenture.

(i) The City agrees to furnish to the Bank as soon as available, and in any event not more than 210 days after the end of the City's Fiscal Year, the City's audited financial statements, certified and dated by an authorized financial officer of the City. (vi) The City or the Authority shall provide notice to the Bank promptly after the commencement thereof, of (a) all actions, suits and proceedings for which service of process upon the City or the Authority, as applicable, has occurred before any court or governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, that, if prosecuted to an adverse conclusion, could reasonably be expected to have a material adverse impact on the ability of the City or the Authority to fulfill its obligations hereunder or under any Related Document to which they are respectively a party or (b) the occurrence of any other event or change which could have a material adverse effect on (x) the

ability of the Authority or the City to perform their respective payment obligations hereunder or under the other Related Documents or (y) the enforceability or validity of the Indenture or any of the other Related Documents; and

The City and the Authority shall perform and comply with each of the covenants and obligations set forth in the Indenture, the Project Lease and any other Related Documents to which it is a party and with all laws, statutes and regulations binding upon it, noncompliance with which would materially adversely affect the Authority's or the City's ability to perform its respective obligations under the Bonds, this Agreement or any of the other Related Documents.

SECTION 7.10. Disaster Relief. If the Project is damaged by an earthquake, or other disaster or emergency is declared by a local government, the Governor of the State of California, or the President of the United States, apply to the Office of Emergency Services ("OES"), the Federal Emergency Management Agency ("FEMA"), or other similar agency, the City shall apply for federal, state and local disaster relief funds in the maximum amount permitted under federal, state and local law, respectively, and apply all such designated funds received towards the repair or reconstruction of the Project.

reference herein with the same effect as if each and every such provision were set forth herein in its entirety. To the extent that any such incorporated provision permits any Person to waive compliance with or consent to such provision or requires that a document, opinion or other instrument or any event or condition be acceptable or satisfactory to any Person, for purposes of this Agreement, such provision shall be complied with only if it is waived or consented to by the Bank and such document, opinion or other instrument shall be acceptable or satisfactory only if it is acceptable or satisfactory to the Bank.

(k) default shall be made in the payment of any amount which may be payable by the City to the Bank within five (5) Business Days after receipt of notice from the Bank (other than the payment obligations referred to in Section 9.01(a) or (b) hereof);

(l) this Agreement or any of the Related Documents shall cease to be valid and binding on the City or shall be declared to be null and void or the validity or enforceability thereof shall be contested by the City or a proceeding shall be commenced by any governmental agency or authority having jurisdiction over the City seeking to establish the invalidity or unenforceability thereof, or the City shall deny that it has any or further liability or obligation under this Agreement or any Related Document to which City is a party;

(m) any pledge or security interest created hereunder or under the Indenture to secure any amounts due under this Agreement shall fail to be valid or fully enforceable;

(n) the long-term unenhanced rating by Moody's, Fitch or S&P on any general fund indebtedness of the City shall be withdrawn, suspended or otherwise unavailable for credit related reasons or reduced below "Baa3" (or its equivalent), "BBB-" (or its equivalent) or "BBB-" (or its equivalent), respectively;

(o) one or more final, nonappealable judgments or orders for the payment of money in the aggregate amount of \$10,000,000 or more shall be rendered against the City and such judgment or order shall continue unsatisfied and unstayed for a period of ninety (90) days; or

(p) the City shall (A) fail to make any payment, when due, on any Debt payable from the general fund of the City *pari passu* with the Lease Payments, unreimbursed Drawings, Tender Advances and Term Loans or any interest or premium thereon when due (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) and such failure shall continue after the applicable grace period, if any, specified in the agreement or instrument relating to such Debt and such default has not been waived; or (B) fail to perform or observe any material term, covenant or condition on its part to be performed or observed under any agreement or instrument relating to any such Debt when required to be performed or observed, and such failure has not been waived and shall continue after the later of (1) five Business Days after notice of such failure or (2) the applicable grace period, if any, specified in such agreement or instrument, and the effect of such failure to perform or observe is to accelerate

ARTICLE XI

MISCELLANEOUS

SECTION 11.01. Amendments and Non-Waiver. This Agreement may be amended only upon the written agreement of the City, the Authority and the Bank, and the City may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the City shall first obtain the prior written consent of the Bank. An Event of Default may be waived in writing by the Bank and any such Event of Default which has been waived in writing by the Bank shall not be deemed to be continuing during the period (including any retroactive period) for which the waiver is effective, but such waiver shall not operate as a waiver of, or estoppel with respect to, any other or subsequent failure to perform or observe any obligation hereunder. No failure or delay on the part of the Bank in exercising any right, remedy, power or privilege under this Agreement or under any of the Related Documents and no course of dealing among the City or any other person and the Bank shall operate as a waiver

hereof or thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any of the Related Documents preclude any other or further exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided herein and in the Related Documents are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law or in equity or otherwise. No notice to or demand on the City in any case shall entitle the City to any other or further notice or demand in similar or other circumstances or constitute a waiver of the right of the Bank to any other or further action in any circumstances without notice or demand. The Bank may remedy any default by the City hereunder or with respect to any other person, firm or corporation in a reasonable manner without waiving the default remedied and without waiving any other prior or subsequent default by the City.

SECTION 11.02. Survival of Representations and Warranties. All agreements, representations and warranties of the City contained in this Agreement and in any certificates delivered pursuant hereto shall survive the execution and delivery of this Agreement and the issuance of the Letter of Credit hereunder, and shall survive payment of the reimbursement to the Bank of any payments or disbursements under the Letter of Credit and the termination of this Agreement.

SECTION 11.04. Rights Cumulative. All rights and remedies existing under this Agreement and the Related Documents are cumulative to, and not exclusive of, any other rights or remedies available under contract or applicable law.

SECTION 11.05. USA PATRIOT Act. The Bank is subject to the USA PATRIOT Act and hereby notifies the City that pursuant to the requirements of that Act, the Bank is required to obtain, verify and record information that identifies the City, which information includes the name and address of the City and other information that will allow the Bank to identify the City in accordance with the Act.

SECTION 11.06. Indemnification. To the extent permitted by law, the City agrees to indemnify and hold harmless the Bank, its officers, directors, employees and agents (each an "Indemnified Party") from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever which an Indemnified Party may incur (or which may be claimed against an Indemnified Party by any Person) by reason of or in connection with the execution and delivery of and consummation of the transactions contemplated under this Agreement and the Related Documents, including, without limitation, (i) the offering, sale, remarketing or resale of Bonds (including, without limitation, by reason of any untrue statement or alleged untrue statement contained or incorporated by reference in any official statement, or in any supplement or amendment thereof, prepared with respect to the Bonds, or the omission or alleged omission to state therein a material fact necessary to make such statements, in the light of the circumstances under which they are or were made, not misleading or the failure to deliver an official statement to any offeree or purchaser of Bonds) and (ii) the execution and delivery this Agreement by the City; provided, however, that the City shall not be required to indemnify any Person for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by (a) the willful misconduct or gross negligence of the Bank (including without limitation, with respect to the Bank, failure of the Bank to honor its obligation to honor a properly presented and conforming draw request under the Letter of Credit) or (b) the material inaccuracy of any information included or incorporated by reference in any official statement,

and in any supplement or amendment thereto, concerning the Bank which was furnished in writing by the Bank expressly for inclusion or incorporated by reference therein. Nothing in this Section 11.06 is intended to limit the City's obligations contained in Article II. Without prejudice to the survival of any other obligation of the City hereunder, the indemnities and obligations of the City contained in this Section 11.06 shall survive the payment in full of amounts payable to the Bank and termination of the Letter of Credit. Notwithstanding anything set forth in this Section 11.06, the City shall have a claim against the Bank and the Bank shall be liable to the City, to the extent, but only to the extent, of any direct, as opposed to consequential, damages (any right by the City to receive consequential, special, indirect or punitive damages being thereby waived to the fullest extent permitted under applicable law) suffered by the City that the City proves were caused by the Bank's willful or grossly negligent payment or nonpayment under this Agreement or the Letter of Credit as determined by a court of competent jurisdiction.

SECTION 11.07. Liability of the Bank. The City assumes all risks of the acts or omissions of the Trustee and any other beneficiary or transferee of the Letter of Credit with respect to its use of the Letter of Credit. Neither the Bank nor any of its respective officers or directors shall be liable or responsible for: (a) the use which may be made of the Letter of Credit or any acts or omissions of the Trustee and any other beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by the Bank against presentation of documents which do not comply with the terms of the Letter of Credit, including failure of any documents to bear any reference or adequate reference to such Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under the Letter of Credit, except that the City shall have a claim against the Bank, and the Bank shall be liable to the City to the extent of any direct, as opposed to consequential, damages suffered by the City which such City proves were caused by the Bank's willful failure to make lawful payment under the Letter of Credit after the presentation to it by the Trustee or a transferee to whom the Letter of Credit has been transferred in accordance with its terms of a draw and certificate strictly complying with the terms and conditions of the Letter of Credit. In furtherance and not in limitation of the foregoing, the Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, unless the City or Tender Agent has notified the Bank that such documents do not comply with the Letter of Credit.

SECTION 11.08. Costs, Expenses and Taxes. In addition to any other amounts payable by the City under this Agreement, the City agrees to pay in immediately available funds on the Issuance Date all costs and expenses of the Bank including, without limitation, the reasonable fees and expenses of counsel for the Bank in connection with the preparation, issuance, or delivery, as the case may be, of the Letter of Credit, this Agreement, the Related Documents and any other documents that may be delivered in connection with any of the foregoing. In addition, the City agrees to pay promptly all costs and expenses of the Bank (including reasonable counsel fees and expenses) in connection with (i) the filing, recording, administration, transfer, amendment, maintenance, renewal or cancellation of the Letter of Credit, this Agreement, the Related Documents or any other document that the Bank or its counsel reasonably determines that it must review or issue in connection with this Agreement, (ii) any payment by the Bank

under the Letter of Credit (without duplication of any of the City's obligations under the Fee Letter Agreement) or (iii) any and all stamp and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing and recording of the Letter of Credit, this Agreement or the Related Documents, and any other documents which may be delivered in connection with this Agreement. In addition, the City agrees to pay promptly all costs and expenses, including without limitation reasonable attorneys' fees and disbursements (and fees and disbursements of the Bank's in-house counsel) expended or incurred by the Bank in any arbitration, mediation, judicial reference, legal action or otherwise in connection with (a) the negotiation, preparation, amendment, interpretation and enforcement of this Agreement and any Related Documents, including without limitation during any workout, attempted workout, and/or in connection with the rendering of legal advice as to the Bank's rights, remedies and obligations under the Related Documents, (b) collecting any sum which becomes due the Bank under this Agreement or any Related Documents, (c) any proceeding for declaratory relief, any counterclaim to any proceeding, or appeal, or (d) the protection, preservation or enforcement of any rights of the Bank. For the purposes of this section, attorneys' fees shall include, without limitation, fees incurred in connection with the following: (1) contempt proceedings; (2) discovery; (3) any motion, proceeding or other activity of any kind in connection with a bankruptcy proceeding or case arising out of or relating to any petition under Title 11 of the United States Code, as the same shall be in effect from time to time, or any similar law; (4) garnishment, levy, and debtor and third party examinations; and (5) postjudgment motions and proceedings of any kind, including without limitation any activity taken to collect or enforce any judgment. The Bank shall give written notice to the City of any amounts as to which the Bank is entitled to reimbursement or indemnification under this Section 11.08, and the City shall pay such amounts to the Bank.

SECTION 11.09. Subrogation. From and after payment by the Bank of a draw under the Letter of Credit relating to a payment on the Bonds and until the Bank is paid in full, the City agrees that the Bank shall succeed to all of the right, title and interest of the Trustee and the Owners with respect to the Bonds on which payment was made, despite any discharge and satisfaction of the lien of the Indenture pursuant to the terms thereof. Such subrogation of the Bank shall constitute additional security and shall not be deemed a substitution for the performance by the City of its obligations hereunder.

SECTION 11.10. Survival of Representations and Warranties. All statements contained in any Related Document or in any certificate, financial statement or other instrument delivered by or on behalf of the City pursuant to or in connection with this Agreement (including but not limited to any such statement made in or in connection with any amendment hereto or thereto) shall constitute representations and warranties made under this Agreement. All representations and warranties made under this Agreement (i) shall be made and shall be true at and as of the date of this Agreement, the date the Letter of Credit is issued and the date of each drawing under the Letter of Credit and (ii) shall survive the execution and delivery of this Agreement, regardless of any investigation made by the Bank or on its behalf.

SECTION 11.11. Participations. The Bank may participate to other banking or financial institutions of its choosing all or any portion of its obligations under the Letter of Credit and this Agreement (to be evidenced by one or more Participation Agreements or similar document).

The Bank has no obligation to disclose the participation of such other institution. In calculating any amounts owing to the Bank hereunder and under the Fee Letter Agreement, the Participants shall be entitled, subject to the terms thereof, to the payments set forth in Sections 2.08 and 2.09 as if they were the Bank, to the extent such Participants are affected by the provisions of those Sections. The foregoing notwithstanding, no such participation by the Bank shall in any way affect any of the obligations of the Bank under the Letter of Credit, and the City shall have no obligation to deal in any manner with any such Participant.

SECTION 11.12. Jury Trial Waiver. (a) With respect to any suit, actions or proceedings relating to this Agreement, to the fullest extent permitted by applicable law, each party to this Agreement waives any right it may have to trial by jury. The City further warrants and represents that such waiver has been intentionally, knowingly and voluntarily made, following consultation with its legal counsel. If and to the extent that the foregoing waiver of the right to a jury trial is unenforceable for any reason in such forum, the City and the Bank hereby consent to the adjudication of any and all claims pursuant to judicial reference as provided in California Code of Civil Procedure Section 638, and the judicial referee shall be empowered to hear and determine any and all issues in such reference whether fact or law. The City and the Bank represent that each has reviewed this waiver and consent and each knowingly and voluntarily waives its jury trial rights and consents to judicial reference following the opportunity to consult with legal counsel of its choice on such matters. In the event of litigation, a copy of this Agreement may be filed as a written consent to a trial by the court or to judicial reference under California Code of Civil Procedure Section 638 as provided herein.

(b) The Bank hereby recognizes and agrees that the procedural requirements applicable to commencement of legal actions against either the City or the Authority differ from requirements applicable to non-governmental entities.

SECTION 11.13. Marketing Authorization. The City agrees and hereby authorizes the Bank to from time to time disclose the nature of this financial transaction in connection with its marketing to other prospective public entities. The Bank shall at all times preserve the confidentiality of all financial information provided to the Bank by the City in connection with this financing. The Bank's disclosure of this financial relationship shall be limited to the City's identity, the nature of the credit transaction and general size of the credit facility. The Bank may use the credit facility in such marketing materials. Any such case study would include the name of the City, nature of the credit facility, approximate size of the credit facility, and a brief description of the structure of the credit facility. The Bank will not disclose any confidential financial information of the City provided to the Bank in connection with this credit facility.

SECTION 11.14. Telecopied Documents. At the request of the City and the Authority, the Letter of Credit provides that demands for payment thereunder may be presented to the Bank by, among other methods, telecopy. The City and the Authority acknowledge and assume all risks relating to the use of such telecopied demands for payment and agree that their obligations under this Reimbursement Agreement and the Related Documents shall remain absolute, unconditional and irrevocable as provided herein if the Bank honors such telecopied demands for payment.

SECTION 11.15. Binding Effect. This Agreement shall become effective when it shall have been executed by the City and the Bank and thereafter shall be binding upon and inure to the benefit of the City and the Bank and their respective successors and assigns, except that the City shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Bank.

SECTION 11.16. Severability. Any provision of this Agreement which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

SECTION 11.17. Governing Law. This Agreement and the obligations of the Bank shall be governed by, and construed in accordance with, the laws of the State of New York; provided, that the power and authority of the City and the Authority to enter into this Agreement shall be governed by, and construed in accordance with, the laws of the State of California.

SECTION 11.18. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

SECTION 11.19. Execution in Counterparts. It shall not be necessary that all parties execute and deliver the same counterpart of this Agreement. This Agreement shall therefore become effective when each party has executed any counterpart hereof and delivered the same to the other parties. All such counterparts, collectively, shall be deemed a single agreement.

SECTION 11.20. Satisfaction Requirement. If any agreement, certificate or other writing, or any action taken or to be taken, is by the terms of this Agreement required to be satisfactory to the Bank, the determination of such satisfaction shall be made by the Bank in its reasonable judgment exercised in good faith.

SECTION 11.21. Integration. This Agreement is intended to be the final agreement between the parties hereto relating to the subject matter hereof and this Agreement and any agreement, document or instrument attached hereto or referred to herein shall supersede all oral negotiations and prior writings with respect to the subject matter hereof. To the extent that any of the terms contained in the Project Lease or the Indenture conflict with the terms of the same or a similar provision contained herein, the provisions contained herein shall govern.

SECTION 11.22. No Reduction in Payments. All payments made by or on behalf of the City to the Bank hereunder or under any Related Document shall be made free and clear of, and without reduction for or on account of, any present or future stamp or other taxes, levies, imposts, duties, charges, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever now or hereafter imposed, levied, collected, withheld or assessed by any governmental or taxing authority of the United States, the State of California or any political subdivision of the State of California, excluding income taxes now or hereafter imposed on the Bank (such nonexcluded taxes being called "Taxes"). If any Taxes are required to be withheld from any amounts payable to the Bank hereunder, the amounts so payable to the Bank shall be

increased to the extent necessary to yield to the Bank (after payment of all Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in the Project Lease. Upon request by the City, the Bank will provide the City with any documents required to be delivered by the Bank to enable the City to obtain a reduction of, or exemption from withholding of, any Tax. Whenever any Tax is payable by the City, as promptly as possible thereafter, the City or the Authority shall send the Bank an original official receipt showing payment thereof.

SECTION 11.23. Usury. The Bank shall not be entitled to receive payment of interest hereunder in excess of the maximum rate permitted by applicable law. If the Bank receives less interest during any period than it would be entitled to receive hereunder but for the applicability of a maximum legal rate of interest, the provisions of Section 2.06 shall apply.

SECTION 11.24. Benefit of Agreement. This Agreement shall be binding upon each party hereto, its successors and permitted assigns, except that the City may not transfer or assign any or all of its rights or obligations hereunder without the prior written consent of the Bank. This Agreement is made and entered into solely for the protection and benefit of the Bank, on its own behalf and on behalf of the Participants, and the City and their successors and assigns and no other person shall have any right of action under this Agreement. Any and all claims asserted hereunder may be asserted and only asserted by the City or the Bank, on its own behalf or on behalf of the Participants, and their successors and permitted assigns. Any Participation Agreements are not intended to be for the benefit of the City and the City shall not be a third party beneficiary thereof.

SECTION 11.25. Actions. In the event the Bank shall commence, appear in or defend any action or proceeding relating to its rights, duties or liabilities under this Agreement, the Project Lease or any other Related Document, to the extent permitted by law, the City will pay the Bank, upon demand, all of the Bank's reasonable out-of-pocket costs, expenses and legal fees and disbursements incurred by the Bank in those actions and proceedings.

SECTION 11.26. Trustee Not Affected. Nothing appearing herein, and no exercise of any rights, remedies or recourse hereunder, shall be construed as limiting any rights, remedies or recourse of the Trustee whatsoever as against any Person, including, without limitation, under the Indenture, applicable law or otherwise.

SECTION 11.27. The Bank to Cooperate with the City's Requests for Disclosure. The Bank agrees that it will comply with all reasonable written requests of the City to provide material public information pertaining to the Bank in connection with the City's provision of disclosure with respect to the Bonds. The City and the Authority shall have no responsibility for the content of such information.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first above written.

EXHIBIT E

FORM OF FEE LETTER AGREEMENT

This Fee Letter Agreement, dated October __, 2010 (this "*Fee Letter*"), by and between the CITY OF SAN JOSE, a municipal corporation duly organized and existing under its charter and the Constitution and laws of the State of California (the "*City*") and U.S. Bank National Association. (the "*Bank*") sets forth the agreement between the City and the Bank, with respect to certain fees payable pursuant to the Reimbursement Agreement, dated as of October __, 2010 (the "*Agreement*"), by and among the City, the CITY OF SAN JOSE FINANCING AUTHORITY, a joint exercise of powers authority and the Bank. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Agreement.

Section 1. Fees.

(a) *Upfront Fee.* The City agrees to pay to the Bank on the Issuance Date an upfront fee equal to _____ (equal to the product of 0.07% and the Stated Amount).

(b) *Closing Fee.* \$0.

(c) *Commitment Fee.* The City hereby agrees to pay, or cause the Trustee to pay, to the Bank, quarterly in arrears, on each Quarterly Payment Date, for the period from and including the immediately preceding Quarterly Payment Date (or, in the case of the first quarterly payment, from the Issuance Date) to but not including such Quarterly Payment Date, a non-refundable letter of credit fee in an amount equal to the cumulative total, calculated daily for each day during such period, equal to the product of (A) the rate per annum associated with the Rating, as specified below (the "*Commitment Fee Rate*"), multiplied by (B) the Stated Amount (without regard to any temporary reductions of the Stated Amount of the Letter of Credit) on such day, in each case calculated on the basis of a 360-day year for the actual number of days elapsed (the "*Commitment Fee*") during each related period.

| <u>LEVEL</u> | <u>MOODY'S RATING</u> | <u>S&P RATING</u> | <u>FITCH RATING</u> | <u>COMMITMENT FEE RATE</u> |
|--------------|---------------------------|---------------------------|-------------------------|--------------------------------|
| Level 1: | Aa2 (or higher) | AA (or higher) | AA (or higher) | 1.10% |
| Level 2: | Aa3 | AA- | AA- | 1.25% |
| Level 3: | A1 | A+ | A+ | 1.40% |
| Level 4: | A2 | A | A | 1.55% |
| Level 5: | A3 | A- | A- | 1.70% |
| Level 6: | Baa1 | BBB+ | BBB+ | 1.90% |
| Level 7: | Baa2 | BBB | BBB | 2.10% |
| Level 8 | Baa3 | BBB- | BBB- | 2.30% |
| Level 9 | (lower than Baa3) | (lower than BBB-) | (lower than BBB-) | Default Rate |

In addition, if the Rating on any of the City's general fund indebtedness is withdrawn, suspended or otherwise unavailable for credit related reasons or reduced below "BBB-/BBB-/Baa3" by S&P, Fitch, or Moody's, respectively, the Commitment Fee will increase by an additional 100 basis points from the then-current rate and shall be an Event of Default.

The term "*Rating*" as used above shall mean the long-term rating on any general fund/general obligation indebtedness of the City assigned by each Rating Agency. In the event of a split rating (*i.e.*, one of the foregoing Rating Agency's Rating is at a different level than the Rating of either of the other Rating Agencies), the Commitment Fee Rate shall be based upon the level in which the lowest Rating appears. Any change in the Commitment Fee Rate resulting from a change in a Rating shall be and become effective as of and on the date of the announcement of the change in such Rating. References to ratings above are references to rating categories as presently determined by the Rating Agencies and in the event of adoption of any new or changed rating system or the adoption of a "global" rating scale by any such Rating Agency, the Ratings from the Rating Agency in question referred to above shall be deemed to refer to the rating category under the new rating system or, in the event of the adoption of a "global" rating scale by any Rating Agency, the recalibrated or realigned rating category under such "global" rating scale, which most closely approximates the applicable rating category as currently in effect. The City acknowledges that as of the Issuance Date, the Commitment Fee Rate is that specified above for Level 1. The Commitment Fee shall be payable quarterly in arrears, and if not timely paid, the Commitment Fee shall be paid together with interest on the Commitment Fee from the date payment is due until payment is made in full at the Default Rate.

(d) *Draw Fee.* The City agrees to pay to the Bank a draw fee of \$250.00 for each Drawing honored by the Bank under the Letter of Credit, plus a \$45.00 federal wire fee payable quarterly in arrears.

(e) *Transfer Fee.* The City agrees to pay to the Bank, on the date any transfer of a Letter of Credit, a transfer fee of \$2,000.00, plus reasonable expenses of the Bank, including the reasonable fees and expenses of any legal counsel retained by the Bank in connection therewith.

(f) *Early Termination Fee.* If the Letter of Credit is terminated at the request of the City or the Authority prior to the second anniversary of the Issuance Date for any reason other than a downgrade of short-term ratings of the Bank below "A-1" by S&P, "P-1" by Moody's or "F-1" by Fitch, the City shall pay the Bank an Early Termination Fee equal to the difference between the amount of annual Commitment Fees which have been paid by the City to the termination date and two full years of annual Commitment Fees.

(g) *Legal Fees.* The City agrees to pay on the Issuance Date reasonable fees and expenses of counsel for the Bank.

Section 2. Reserved.

Section 3. Reserved.

Section 4. Amendments. No amendment to this Fee Letter shall become effective without the prior written consent of the City and the Bank.

Section 5. Payment of Fees. All Fees payable under this Fee Letter shall require the submission of an invoice by the Bank to the City not less than 14 days prior to the payment date; provided, however, that failure to submit an invoice shall not relieve the City of its obligation to pay the related fee.

Section 6. Governing Law; Jury Trial Waiver. This Fee Letter and the obligations of the Bank hereunder shall be governed by, and construed in accordance with, the laws of the State of New York; provided, that the power and authority of the City and the Authority to enter into this Fee Letter shall be governed by, and construed in accordance with, the laws of the State of California.

With respect to any suit, actions or proceedings relating to this Fee Letter, to the fullest extent permitted by applicable law, each party to this Fee Letter waives any right it may have to trial by jury. The City further warrants and represents that such waiver has been intentionally, knowingly and voluntarily made, following consultation with its legal counsel. If and to the extent that the foregoing waiver or the right to a jury trial is unenforceable for any reason in such forum, the City and the Bank hereby consent to the adjudication of any and all claims pursuant to judicial reference as provided in the California Code of Civil Procedure Section 638, and the judicial referee shall be empowered to hear and determine any and all issues in such reference whether fact or law. The City and the Bank represent that each has reviewed this waiver and consent and each knowingly and voluntarily waives its jury trial rights and consents to judicial reference following the opportunity to consult with legal counsel of its choice on such matters. In the event of litigation, a copy of this Agreement may be filed as a written consent to a trial by

the court or to judicial reference under California Code of Civil Procedure Section 638 as provided herein.

The Bank hereby recognizes and agrees that the procedural requirements applicable to commencement of legal actions against either the City or the Authority differ from requirements applicable to non-governmental entities.

Section 7. Counterparts. This Fee Letter may be executed in two or more counterparts, each of which shall constitute an original but both or all of which, when taken together, shall constitute but one instrument.

Section 8. Severability. Any provision of this Fee Letter that is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

IN WITNESS WHEREOF, the parties hereto have caused this Fee Letter to be duly executed and delivered by their respective duly authorized representatives as of the day and year first above written.
